<th>Year Installed</th>
<th>Use</th>
</tr>
</thead>
</table>

If you are responsible for x-ray units at locations other than listed above, please list the locations.

SIGNATURE – Person Responsible for radiation safety

Title

Date signed (mm/dd/yy)

The registration fee is based on the facility type and the number of x-ray tubes. Make check payable to the Department of Health Services and submit with this application. Contact the Radiation Protection Section at (608) 267-4782 for the correct fee or link to the web site at http://dhs.wisconsin.gov/dph_beh/BEH/Xray/index.htm

Mail completed original form to:

Department of Health Services
Division of Public Health
Radiation Protection Section, RM B157
P.O. Box 2659
Madison, WI  53701-2659

Note: Multiple x-ray devices at a single location and under the control of one person may be considered a single registration and only one registration fee is required. If, however, the devices are located at separate addresses, it will be necessary to consider each location as a separate registration and an additional fee is required for each location. All permits expire on December 31 regardless of issue date.
